

Mary Poppins Call-Back List

We will not attempt to assign all parts before we go home for the Winter Break. We will attempt to place the lead characters. We will post the cast list so you will know if you made it, but you may not know the specific role until we begin rehearsals in January.

In “call backs” you will be asked to read parts, sing from the songs below, be vocalized for range, and possibly choreography. It is not an expectation that you learn these songs but being familiar will help a great deal. They can all be located on YouTube.

If you did not get a call back it does not mean you did not make it. Please look at the cast list for the final decision.

Men should look at:

“Let’s Go Fly a Kite”
“Chim Chim Cher-ee”
“Cherry Tree Lane”
“Good for Nothing”

Ladies should look at:

“Being Mrs. Banks”
“Anything Can Happen”
“Cherry Tree Lane”
“Practically Perfect”
“Brimstone and Treacle”
